

Daniel's Day Out

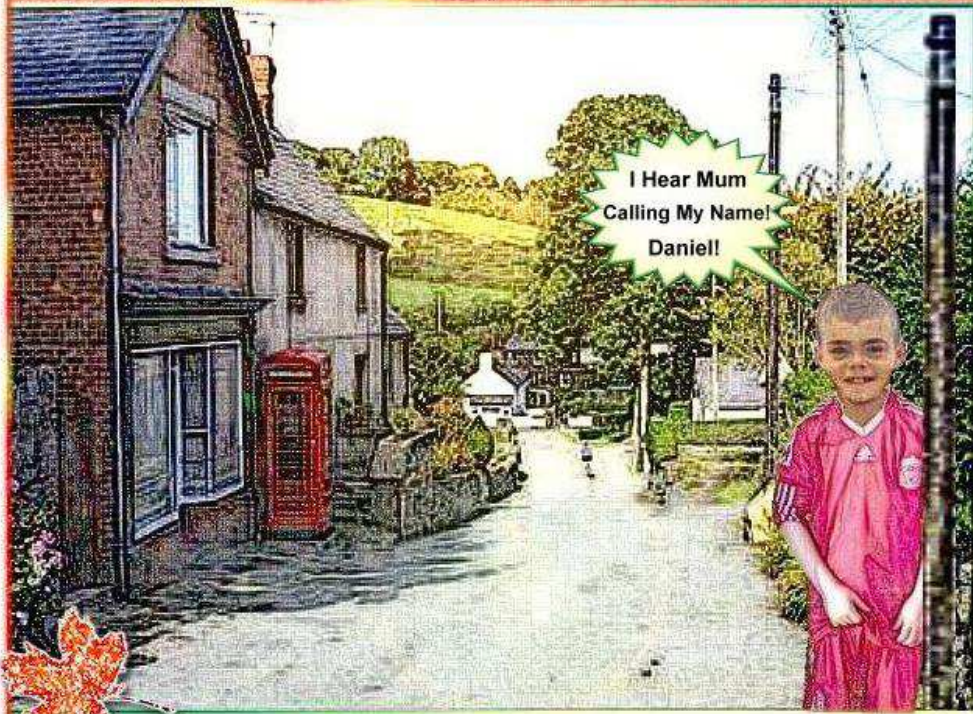

To Denbigh

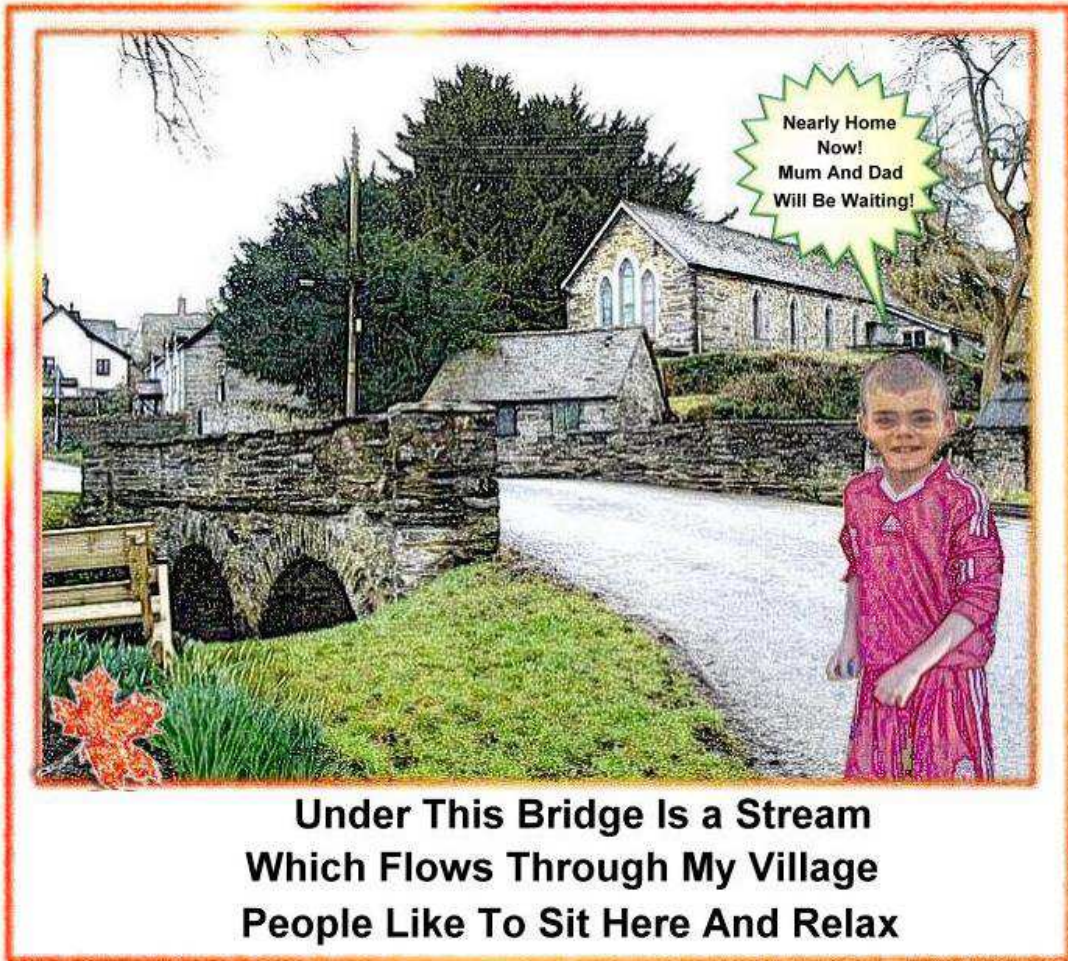

By James McKenna

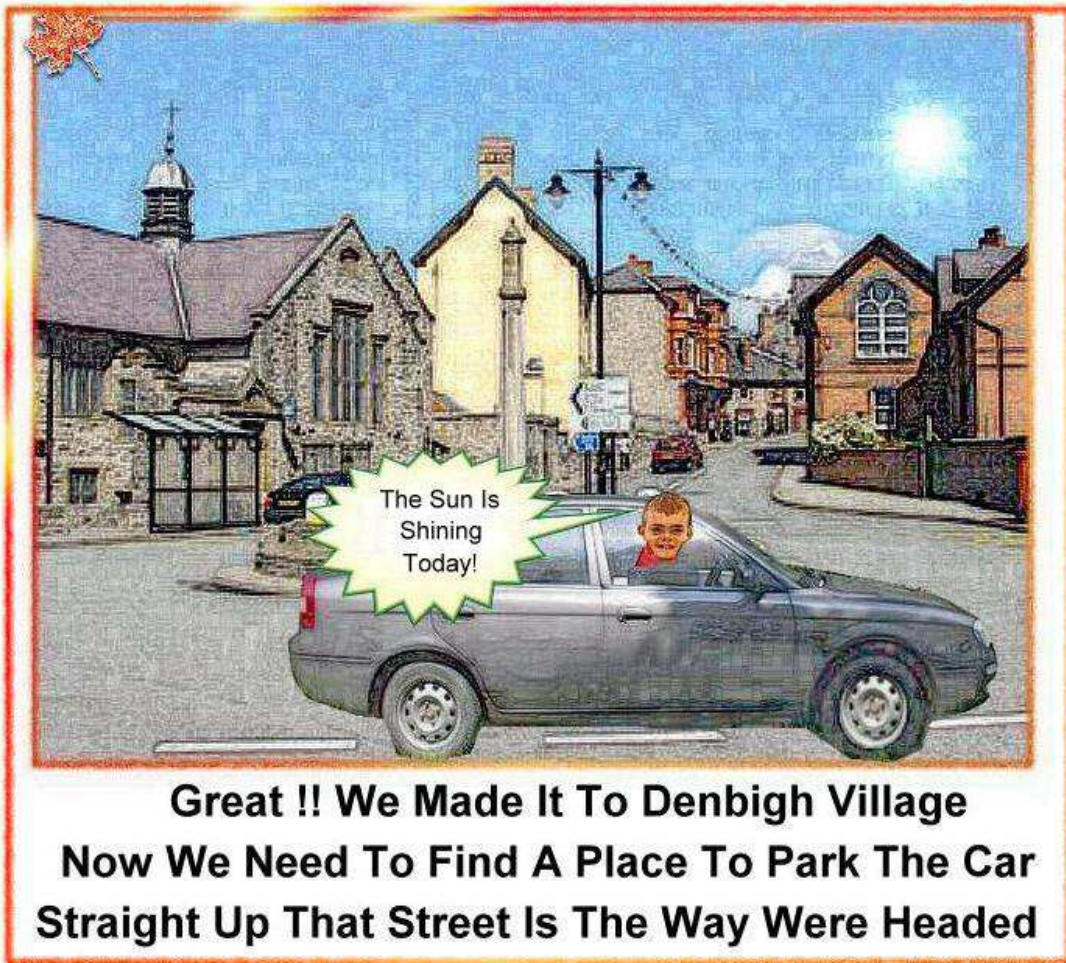

**Hello Am Daniel And This Is My Cat Sooty
I Live In North Wales, With My Mum And Dad
And Today I Am Going For A Day Out To Denbigh**

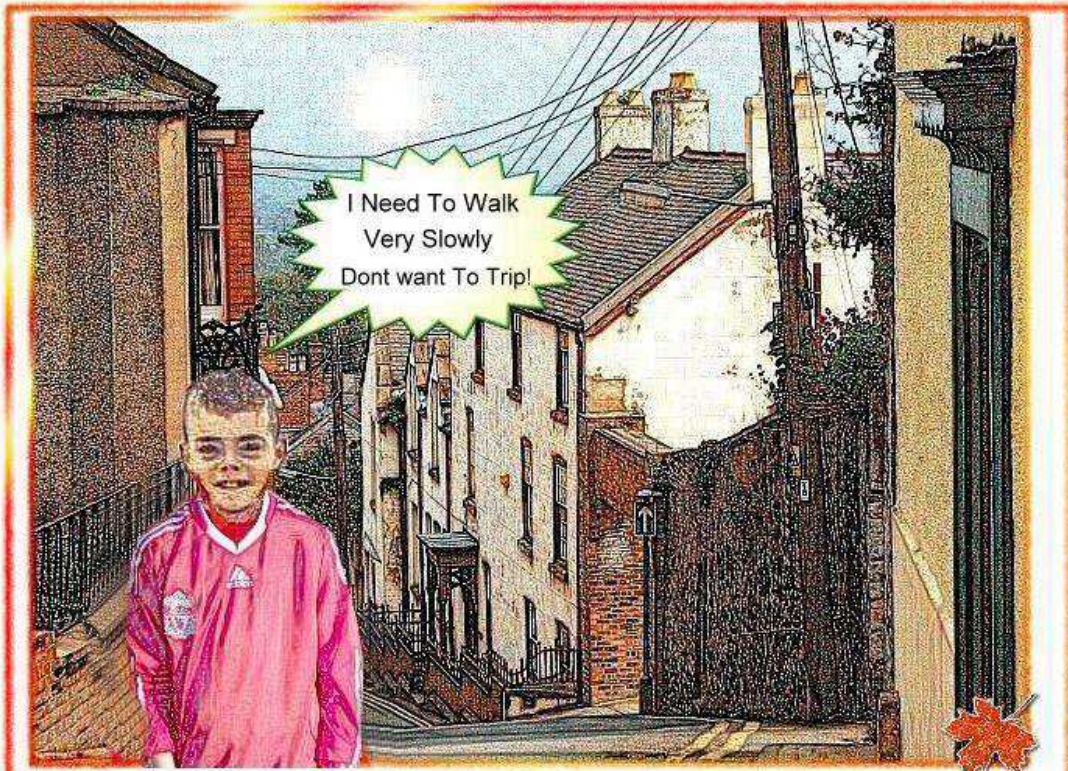

**The Village I live In Is Quiet And Peaceful
Its Always Clean And There Is Never Any Litter
Which Is Why I Like It Here**

**Under This Bridge Is a Stream
Which Flows Through My Village
People Like To Sit Here And Relax**

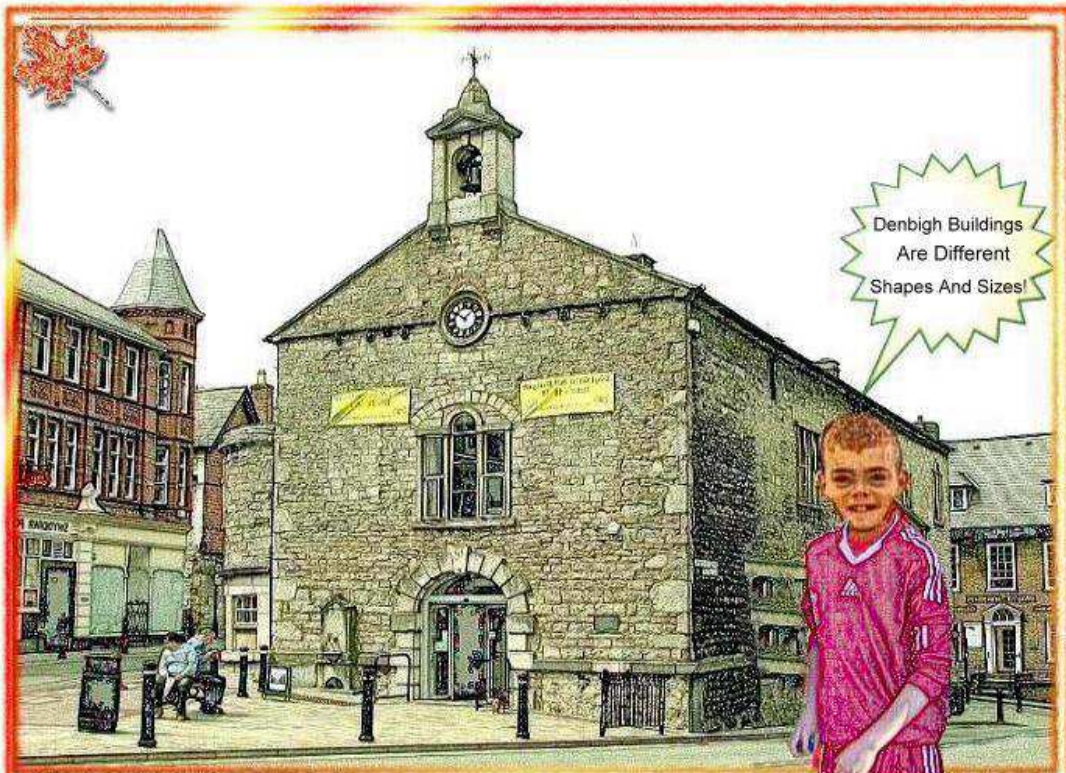

**Great !! We Made It To Denbigh Village
Now We Need To Find A Place To Park The Car
Straight Up That Street Is The Way Were Headed**

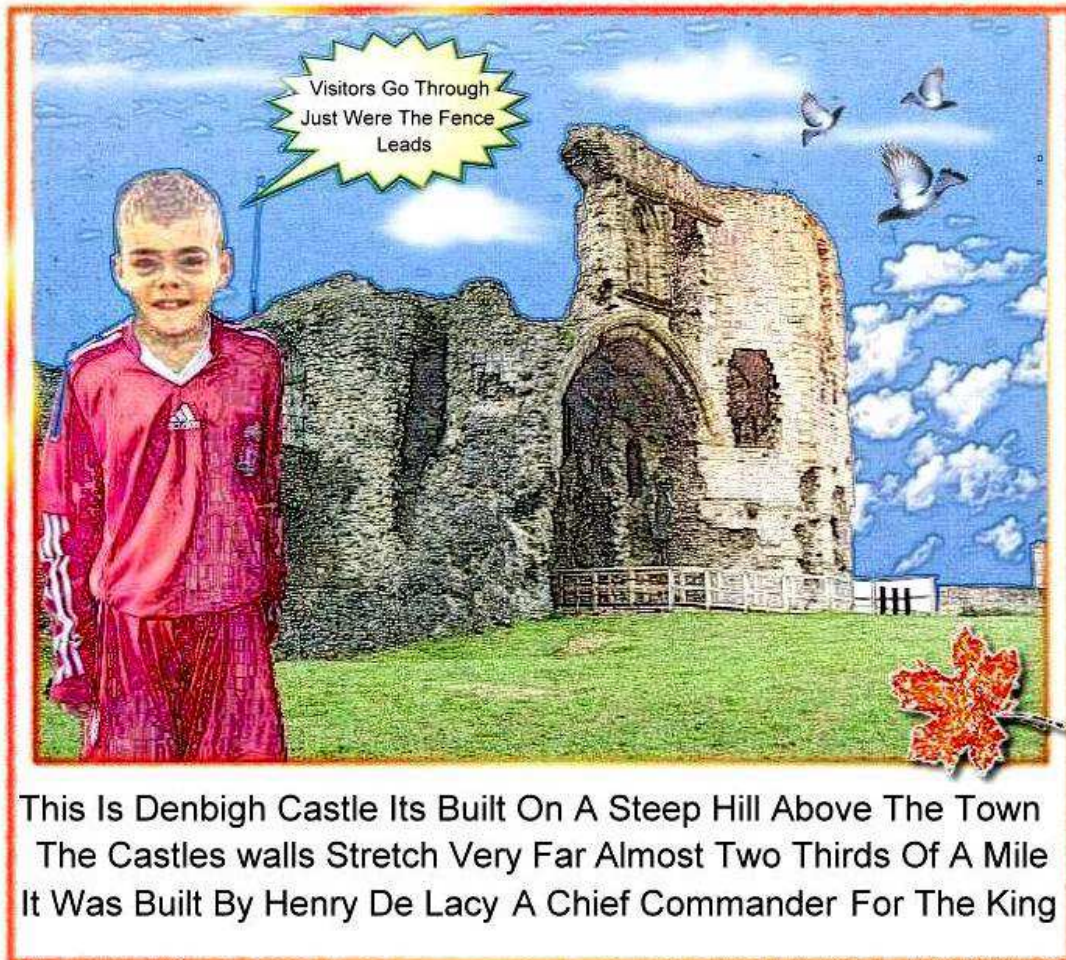

Ok Car Is Now Parked! The Street Were In
Is Called Love Lane

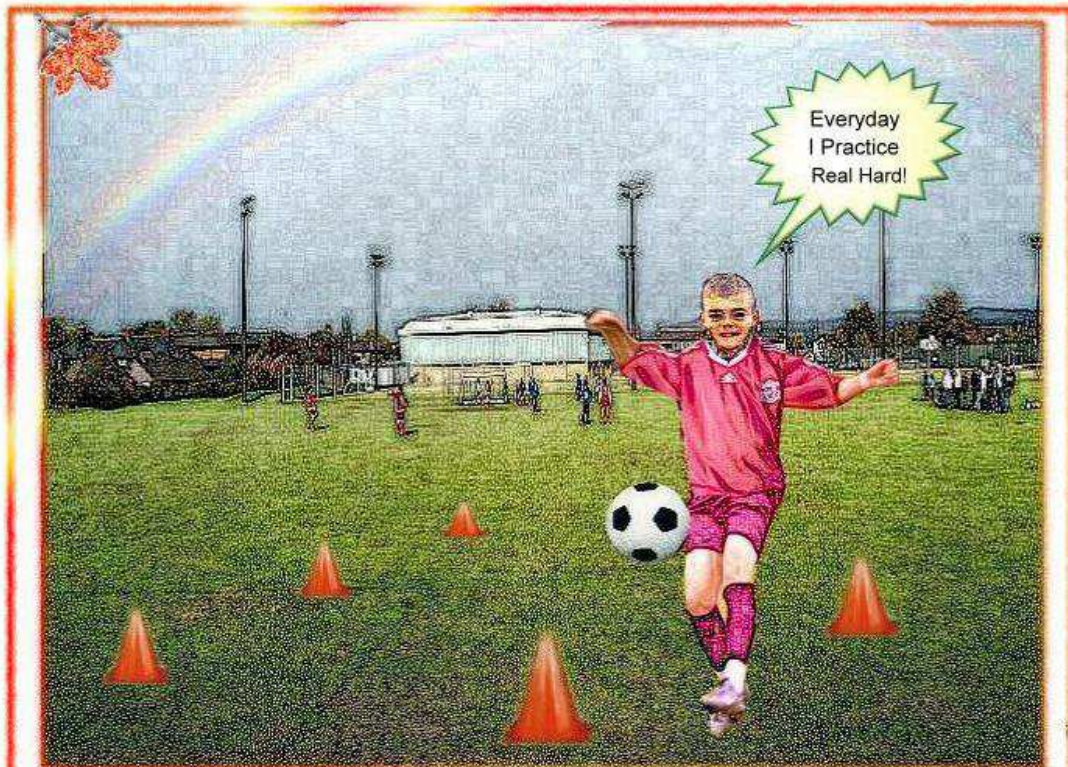

It Has A Huge Steep Slope Running Down It

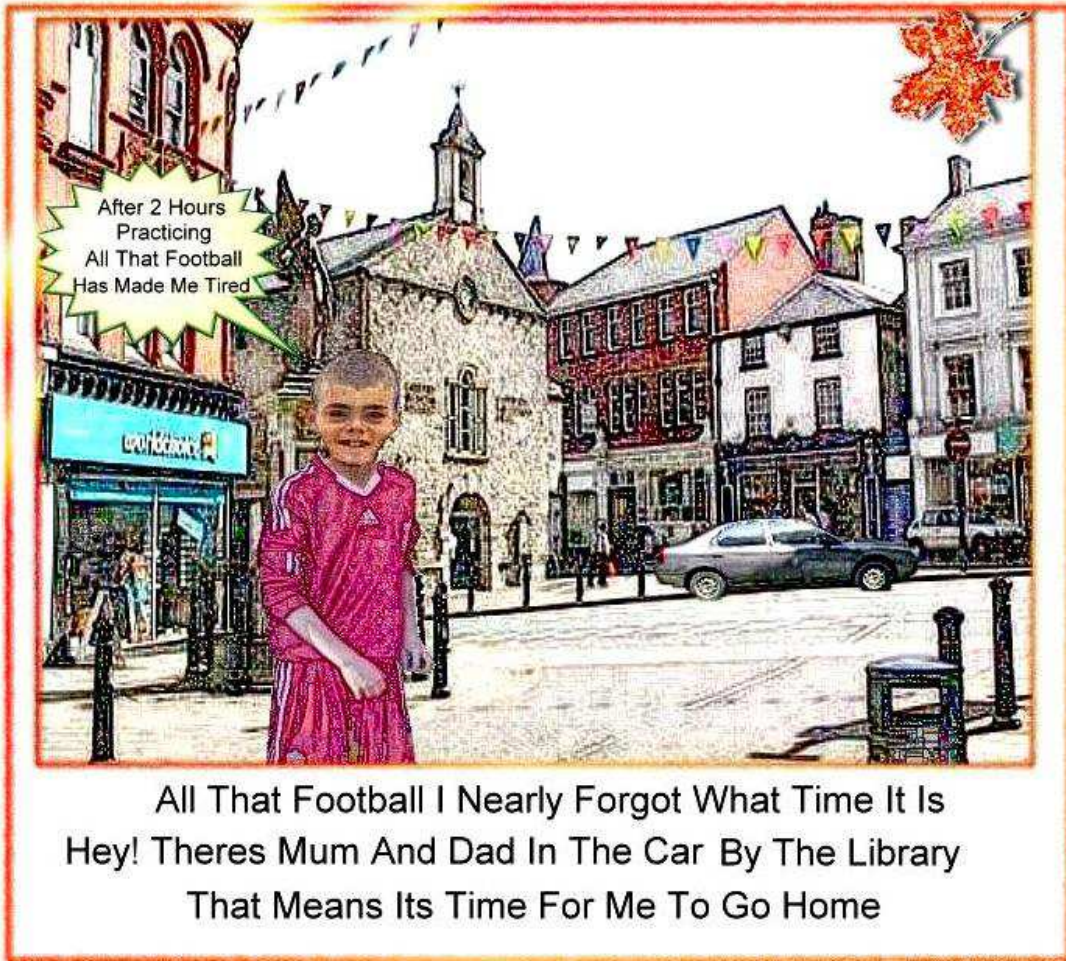

This Big Building Behind Me Has A Library,
It Has A Huge Clock And A Bell At The Top Of It
There Also A Bench Outside For People To Sit Down

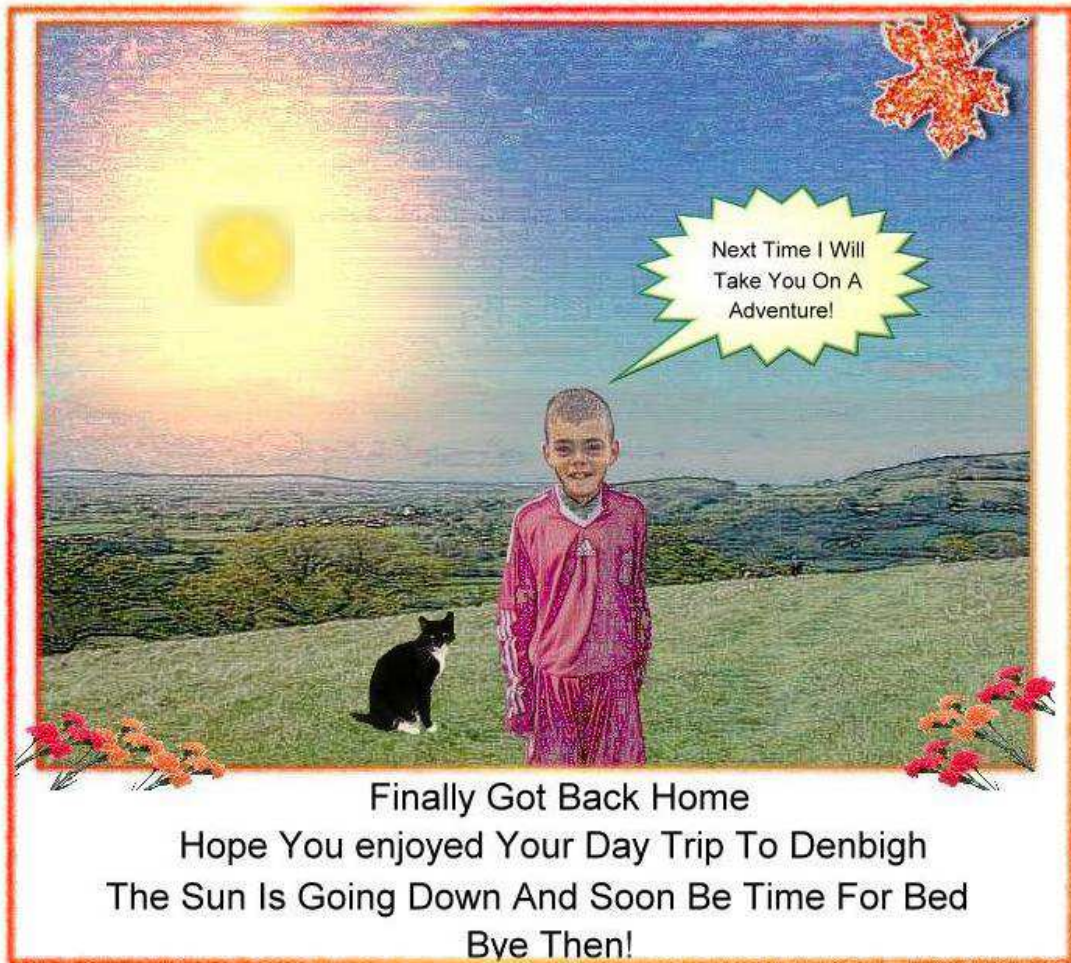

This Is Denbigh Castle Its Built On A Steep Hill Above The Town
The Castles walls Stretch Very Far Almost Two Thirds Of A Mile
It Was Built By Henry De Lacy A Chief Commander For The King

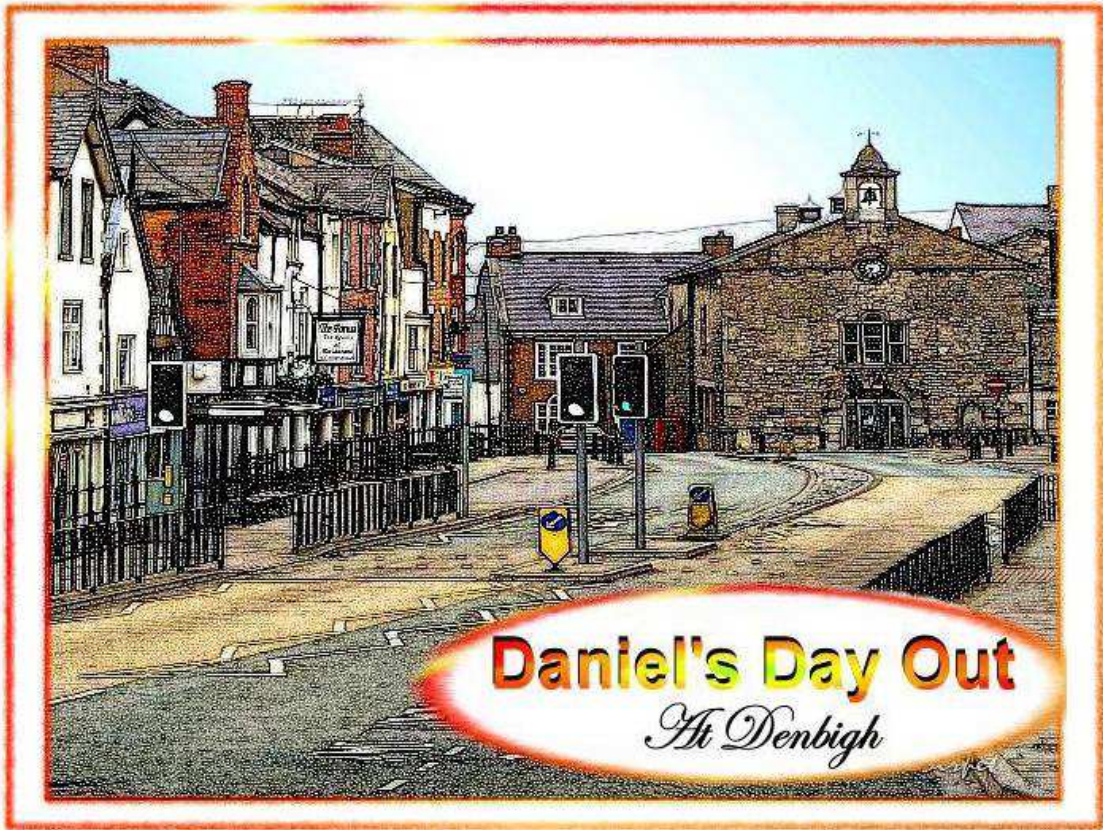

This Is Denbigh Sports Area! Football Is My Favourite Sport
Family And Friends Tell Me I Am Very Good Player
One Day I Hope To Play For Liverpool Football Club

All That Football I Nearly Forgot What Time It Is
Hey! Theres Mum And Dad In The Car By The Library
That Means Its Time For Me To Go Home

Finally Got Back Home
Hope You enjoyed Your Day Trip To Denbigh
The Sun Is Going Down And Soon Be Time For Bed
Bye Then!
